Early Release Days 2017-2018

Parents,

Sunman Dearborn Community Schools has adopted 8 early release days as part of our yearly school calendar for 2017-2018. Please make note and prepare for the following early release days for your students in the district.

August 16
September 20
October 18
November 15
December 13
January 17
February 14
April 4

On each of these days, students will dismiss 2 hours prior to their normal dismissal time. Parent pick-up will begin at 1:10 and busses will leave, following their normal route, at 1:30.

Please plan ahead to make arrangements for this change in schedule.

**Any changes in transportation should be sent in writing to the child's teacher the week or day of the change. When a note is sent, no phone call is necessary, which reduces interruptions to the student's classrooms. If no transportation changes are noted for early release days, children will be instructed to follow their normal dismissal procedure.
